

ACL INTERNATIONAL APPLIES FOR LISTING ON THE OTCQB MARKET IN THE US AND ENGAGES 8020 CONNECT FOR MARKET AWARENESS PROGRAM.

For Immediate Release

Not for distribution in the United States or through United States wire services.

Calgary, Alberta – September 26, 2016. ACL International Ltd. (“ACL”) (ACL:TSX-V) (“ACL or the Company”) has applied to list the company shares on the OTCQB Market (“OTCQB”) in the US. The Company will continue to maintain its listing on the TSX Venture Exchange. Further updates will be provided upon listing approval from the OTCQB.

ACL's objective in applying for the OTCQB listing is to increase liquidity, increase exposure to a larger investment market and potential increase in market cap. The listing provides our existing and potential US based shareholders easier access to trading the Company's shares.

In the OTC Markets corporate literature, the OTCQB market is referred to as America's venture market with over 900 international and US companies listed with over USD \$70 Billion in total market cap.

ACL is also pleased to be a member of the 8020 Connect network, and invites all shareholders to become members with the company. 8020 Connect is the investment industry's newest social network, developed to deliver corporate information to shareholders, investment industry experts and like-minded investors, while enabling these member groups to interact with one another and with the company's corporate management team.

Through the 8020 Connect shareholder and investor network, ACL is able to communicate its corporate message and update project advancements and financial information to all shareholders and investors in a timely and effective fashion. The 8020 Connect social media component provides direct interaction with shareholders, allowing the company to answer questions and inquiries directly or in group forums. The 8020 Connect network will also allow ACL to expand its audience exponentially to interested investors and industry experts worldwide.
